SECTION IV: Grade Point Averages

This section must be completed by all applicants from colleges or universities that use a five-category (five letters or numbers) grading system or any grading system for which the college or university has established a formula for converting its grades into the equivalence in a five-category system. "A" denotes the highest grade, "B" the next highest, and so on, "F" denoting the failing grade. The grade "WF" (withdrew failing) or its equivalent should be counted as a "F".

For each undergraduate year and for all graduate years, enter the number of *credit courses* (not semester-hours or quarter-hours) for which you received each of the letter grades (or their equivalence). **EXCLUDE** all noncredit courses, and credit courses in physical education, sports, dancing, band or orchestra, chorus or glee club, speech or public speaking, ROTC or military training.

Undergraduate Class Rank: No. _____ in a class of _____ at the end of _____.

Grade Point Averages: (A) x (n) = (B)
