PROFESSIONAL & RESEARCH EXPERIENCE

2020 - 2022 Research Assistant, Institut national de la recherche scientifique (INRS), Montreal, Quebec
Supervisor: Maude Pugliese

- Reviewed the literature on testamentary practices, inheritance, and family complexity for a scientific article on testamentary practices among Quebec couples
- Conducted data analysis with Stata: coding variables, conducting descriptive analysis, and conducting multinomial logistic regressions
- Participated in writing the article
- Prepared the article for submission
- Took part in the revision process after submission of the article to the *Journal of Marriage and Family*
- Participated in the design of a survey on indebtedness in Quebec: reviewing existing surveys, designing questions on familial solidarity and its impact on indebtedness
- Conducted a review of the literature on financial transfers within families for a grant proposal for the *Partenariat de recherche Familles en mouvance*

2022 Participated in the organization of the international conference *The Social Meaning of Money: The Work of Viviana Zelizer in the Social Studies of the Family* held at INRS

- Planned the stay of international guests (visa applications, flight and hotel reservations, etc.)
- Assisted in the technical operation of the conference
- In charge of the reimbursement of expenses for international guests
